To Atlanta's Honorable Mayor Allen,

Thank you, thank you, thank you for so ably representing Atlanta before the nation in Washington, D.C. during the last week. Many Georgians who are not Atlantans (we are former Atlantans) depend heavily upon the intelligent courageous leadership Atlanta officials give to the solution of our many frustrating problems, and we are everlastingly grateful to you and your co-workers for the grand job you are doing.

You have lots of friends in the hinterland---rural parts of the state who value your efforts as much as Atlantans do.

Our blessings on you,

M Fern Maddox
