MEMORANDUM

To: Mayor Allen

From: George Berry

Subject: \$125 Request by Housing Resources Committee

Colonel Jones advises me that the Housing Resources Committee wishes to invite several guests to their December 18th annual dinner. These guests consist primarily of the news media and state and federal officials. He says that the cost of these invited guests will be approximately \$125. Will you approve the expenditure of this amount from the Mayor's Contingent Fund?
