

1230 Fenwick St.,
Augusta Ga.
Sept. 30-46.

Hon Mayor Allen - I listened to your own
own S.V. yesterday. We are surprised that
there are so many ignorant people in Ga.

I voted for Maddox and will do so in
now. The folks who voted for Maddox
which is the majority cannot all be
ignorant simply because you see it that
way. The ignorant ones were those who
voted against him. The results of the
election certainly shows that the people
have had enough of the Federal
bureaucracy and do not aim to be
controlled by the Johnson Adm. They
have shown and rightly so that they
want to get back to the original
Constitution - to live by it and not by
the Johnson Humphrey Constitution.

Now I am originally from Pittsburg Penna.
I receive letters and clippings from relatives
and friends and they say and show
that the people in the North also have
had enough. I suppose that you will
consider all of them ignorant and stupid
also - simply because they will not

give in to the mobs or are not willing to be forced to do as our dictator Johnson demands. This country needs more men like Gov. Wallace - Gov. Johnson and Maddox - who are men enough to defy the dictators in Wash. Not like you or Arnall who seem to yess the mobs and the dictators.

Everything Johnson does is simply for votes. He has shown that he cares nothing about the aged - the hospital sit. must do as he says or else. He asks us to buy just what is necessary - still he spends billions like the money flows like water. You know you can fool some of the people most of the time - but you cannot fool all of the people all of the time. Here is a sure cure for World Tension - to climb the moon - perhaps the next astronaut will be Johnson and De Gaulle - ~~return~~ and a midget. When leaving the moon the two astronauts will leave the capsule on a 50' nylon rope. When at the end of the rope the midget will cut the rope. Simple isn't it.

(over)

Now Martin Luther King says he is
ashamed to live in Georgia. Will
you his information the majority of us
are ashamed that he does. But if he
feels that way I know I can get
thousands here & in the north that will
gladly donate money to buy him and
any others ~~as~~ a one way ticket to
anywhere in Africa here the others
want to go and the sooner the better.

I am sure that the colored folk do not
care about you - it was shown in the
demonstrations you had in Atlanta.

As long as you ~~bow~~ bow down to
them and love them - also pet them
you can get along but do not ever step
one foot out of line. We have had
enough of this one sided Civil Rights
stuff. The Negroes have become the
untouchables - we the goats. More
power to Maddog and also to you as
by your raving about ignorance you have
secured more votes for Maddog. ^{a.k. Muse.}
