Mr. Charles L. Davis
Director of Finance
501 City Hall
Atlanta, Georgia

Dear Charles:

I am attaching a copy of the Atlanta Urban Corps Budget and Program Proposal for 1970. This proposal has been prepared by the staff of the Urban Corps.

As I understand the document, it proposes programs of 60 Interns in the Spring; 500 Interns in the Summer; and 100 Interns in the Fall. The gross program cost will be \$650,623 of which \$510,930 will be met by contractual agreements with colleges and agencies leaving a net cost of \$139,693. For this amount, the City will receive the services of 30 Interns in the Spring; 150 Interns in the Summer; and 40 Interns in the Fall. This is a total of 220 Interns for twelve week terms which work out to 52 man years which in turn work out to about \$2,690 per man year.

It would be appreciated if you would present this proposal to the Finance Committee for possible inclusion in the 1970 Budget. I would hope that we could give the Urban Corps Staff some indication as early as possible so that they can make their plans accordingly.

My own thought is that the Urban Corps concept has proven itself and is worthy of support if city finances will allow it.

Sincerely yours,
