Attached reply to Mr. Mann,  
Best Mfg. Co. for your sign-  
ature. Copies of appropriate  
correspondence attached and  
~~copy~~ reply explanatory -

Eng. of Power Sewing Machine  
Operators has been 'taboo' for  
several years due to some  
Congressional & Dept of Labor (US)  
interpretations - We are hopeful that  
this problem can be rectified, at  
least for Atlanta through the  
MC program (Supp. Funds).

I will follow through.
