

THE FIRST NATIONAL BANK OF ATLANTA

We, the Board of Directors of The First National Bank of Atlanta, do hereby deplore the incidents of violence which have occurred recently in Atlanta.

That these reckless and unwarranted disturbances did not get entirely out of hand was due, we feel, to the wisdom, courage and steady influence of responsible white and Negro leadership which we do hereby commend.

Especially do we salute the Mayor as head of law and order for his courage and the police for their devotion to duty.

Now Therefore Be It Resolved, That these sentiments be delivered to the Mayor of Atlanta with our pledge of cooperation in all matters affecting the good of Atlanta and contributing to harmony between the races.
