Re: Adamsville Health Center

Dear Mr. Sheats:

Thank you for your letter of May 19, 1969 regarding the appraisal you have had made of the above property.

Does the figure you quoted include both the City and the County property or does it just pertain to the latter?

Would you be good enough to send me a Xerox of Mr. Dabney's complete appraisal and thank you again for your assistance, I am

Cordially,
