Dear Sir

Would you please be so kind as to let me have some free tourist literature & posters to help in my ~~te~~ work in teaching English and depict a typical Southern environment for my classroom.

I beg to point out that the following texts will form the literary background of my teaching:

Stephen Crane : The Red Badge of Courage  
Margaret Mitchell : Gone with the Wind  
Louis Bromfield : Wild is the River  
Richard Wright : Black Boy

With best thanks & every Good Wish

Yours sincerely
