MILLS B. LANE, JR.
PRESIDENT

Dear Ivan:

Here's a copy of my letter to Dick Rich at the end of the year. Rapid Transit just isn't my cup of tea, so seriously let's replace me.

It seems awfully silly to me that the Transit Authority and others interested in downtown traffic flow seem to want to avoid Robert Sommerville of the Transit Company. He really ought to be participating at every turn of the road in everything connected with transportation here in Atlanta.

Sincerely,

Mills B. Lane, Jr.
