Hon. Ivan Allen, Mayor
City of Atlanta
Atlanta, Ga.

Dear Mayor:-

I read in the Dallas
News this morning, where you said:-

"If Mr. Carmichael is looking
for a battleground, he has created one,
and he will be met there at any
place and time he chooses."

I sure do not believe in
suggesting or accepting a challenge to
fight. The law of God & man
gives you a right to protect your-
self.

When they knocked you off
of the top of a car, I would
have come up shooting the
airpits down -

Sincerely,
Hamp Harper
