MEMORANDUM

To: Ivan Allen, Jr., Mayor ✓
Rodney M. Cook, Alderman
Jack C. Delius, General Manager of Parks & Recreation
Dan Sweat, Administrative Assistant to the Mayor
Ray Nixon, Director of Public Works
Dan Johnson, Public Works Department

From: C. M. Alexander, Jr., City Arborist

Due to numerous complaints from the citizens located on Peachtree Hills, Ray Nixon and Dan Johnson have ordered that the street crews now working on Peachtree Hills be called off the job and transferred to other areas until October 1, 1969.

This action was the result of a recommendation by C. M. Alexander, Jr., City Arborist. The office of the City Arborist feels that by October 1, 1969 the tree foliage will have fallen from the trees sufficiently so that no damage will result to any tree foliage if construction is continued.

In our efforts to save street tree beauty throughout the City of Atlanta, we feel that this action will greatly help the situation.
