Re: Ku Klux Klan Parade
June 4, 1967
Atlanta, Ga.

I have been advised that the Klan has requested, and been granted a permit by the City of Atlanta, to parade on Sunday, June 4, 1967. The parade route will take the Klansmen along Georgia Ave. and through the heart of the Summerhill area. The thought has been advanced that the Klan parading through the Summerhill area on a Sunday has the makings of an explosive situation. I agree.

It is realized that from a legal standpoint the City is in no position to refuse the permit. Suggest however we seriously consider possibilities of getting route changed to lessen danger of some serious outbreak.
