Honorable Ivan Allen
Mayor of the City of Atlanta
Atlanta, Georgia

Dear Sir:

Keep the faith Mr. Mayor and let your great city lead the way in exposing those misguided individuals who operate under the guise of freedom . . . freedom to commit acts of civil disobedience that would ultimately destroy our way of life.

We know that millions of innocent people have fallen prey to this infamous conspiracy. Civil disobedience has been tolerated and even encouraged by many of our leaders on the "political" scene in both major parties.

I have already heard many favorable comments about your strong stand for AMERICANISM this week. You have done yourself proud. You have set an example that all Americans might well follow. I believe, as I am certain you must, that if we spent more time promoting our way of life we would need to spend less time defending it. The time has come for us to put down those who would destroy our precious heritage.

I believe that you are LEADING THE WAY there in Atlanta, and I also believe I speak for millions of red-bloodied Americans when I urge you to FORGE AHEAD. Please accept my best wishes and Godspeed to you from "just an average citizen" in Fayetteville, N. C.

Respectfully yours,

Annette W. Cox
