The Hon. Ivan Allen, Jr.
Mayor of the City of Atlanta
City Hall
Atlanta, Georgia

My dear Mayor Allen:

The Manchester Guardian Weekly of August 1,
1963 reports part of your testimony before the Senate
Commerce Committee of this Congress.

May I congratulate you on the fine statement
which you made before this Committee. It is ironical
that a British newspaper gave this much greater space
than our local newspapers here in Cleveland.

Sincerely yours,

Lee Wachtel
Librarian
