Mayer Ivan Allen,
City Hall,
Atlanta, Georgia.

Dear Mayer Allen;-

I saw you on TV when you appeared before a congressional committee to testify on the President's Civil Rights bill.

Here at my summer home with several South Carolina friends, we were all SHOCKED and AMAZED with your support of the BILL. Must say, I was GREATLY EMBARRASSED when my friends said, "WHAT is the MATTER with ATLANTA'S MAYOR?"

I enclose a clipping from our Atlanta northside weekly, The Metropolitan Herald which also further expresses my sentiments.

Hope that you will STUDY the bill and see how it will affect IVAN ALLEN CO. as well as other businesses.

Yours for GOOD Government in Atlanta,

Norwood Key Taylor
