Dear Sir

Just listent to you
On Radio and saw you on
T.V. How Stupid Can
a man be?

I've always heard it was
much better to keep you
beat and thought a fool
than to stand up and
Remove all Doubt

I believe a true Democrat
is one who agrees that
a majority Rules

Pitty you dont have as
much Jack Ass sense a
Meddler has Horse sense

That little speech sure
sounds like the
Burr Head Mised Race
eye broad or

Crazy Boy, Amichael

why. Why.??

How only one of thousands
?? ?? Democrats you
spoke about

I too wish I was smart
you smart enough to
keep mouth shut

Of course you know just as
everyone else the Black Block
elected you
