

December 28, 1967

Mr. Donald H. Gareis  
Vice President - Southern Area  
The Sears-Roebuck Foundation  
675 Ponce de Leon Avenue, N. E.  
Atlanta, Georgia

Dear Don:

All of the officials and staff people involved in the Eastern Regional Conference of the Urban Coalition here on December 13 agree that it was the most successfully run conference the Urban Coalition has conducted to date.

I am sure that the major reason for this is the cooperation and assistance we had from the local people who pitched in to help us get the job done. I would like to personally thank you for your great help.

Sincerely yours,

Dan Sweat
