 Outcasts out of yourself and your own Negro Race. If you operated as a Negro  
 a restaurant? And barred other than Negro Race Customers? And Other than  
 Negroes came in to run your meager income to support your family? Would  
 you not want the Police to help you? If as a White Man came onto your  
 restaurant. And gelled out loud you was a S.O.B. of an American Citizen  
 before your regular repeat customers? Would you like it? If as a White  
 Man came in with gun in hand to rob you day's money receipts? You  
 need to feed, clothe, and shelter your family with? Would you think you'd  
 enjoy living with me under the same roof? Neither would President Kennedy  
 and/or any of the Integration-Ordering legally never defied the U.S. Supreme  
 Court Justices. Is Kennedy and/or McNamara your neighbor next door in  
 Washington, D.C.? Does he allow you to pray and block White House sidewalks?  
 How many U.S. Supreme Court Justices are Negroes? Look in Recruit Offices?  
 All these Recruiters are other than Negro Race Gold-brickers. There are only 250,000  
 Negroes in the Millions of U.S.A. Armed Forces Members spread around the World.  
 A Negro Gen. was sitting in the Salt Lake City Greyhound Bus station. I talked  
 with him. As I do not discriminate against any race creed, or organization  
 these were they sending this Negro G.I.? He said, to Arabia. Now no other  
 than Negro people consider you human beings with a God-given Soul Christ  
 gave his all for all races. You ain't me. But it is against the law to harbor  
 any criminals and/or justice fugitives in private ~~and~~ Public Federal Office q.  
 You have the same problems other U.S.A. residing races also have. Who  
 creates these problems? Our Greedy Tax Hogs in U.S.A. Government's Electric  
 Offices are the worst Anti U.S.A. Constitution Enemies Our U.S.A. Government  
 pay Legislative salaries to. And Federal Court salaries to. These Federal  
 Judges demand a money deposit before even considering granting you a hearing  
 for your grievances. So these Federal Court Judges make their decisions according  
 to who of the two litigants pays the most in money and Party Election Votes,  
 you Negroes have poor leaders. Who are like an attorney who made a bar out  
 of himself to me. I signed no petition with him. He tried to cheat me out  
 of what he had promised to collect at 25% fee? I fired him! Collected on my own.  
 And he got nothing. You Negroes must learn to be good businessmen, go into  
 business and learn how business has to be run. If your Negro Leaders had brains  
 to use? Would they not try to get you started in a retail business of your  
 own? They are partly due to automation, 50 million jobs lost today. So the  
 Newspaper Editor who cries prosperity. And sweeps crocodile tears for you Negroes.  
 Is doing that to sell you his newspapers. The Milwaukee Journal & Sentinel  
 Federal Trust Law Violating Monopoly wants your dimes and quarters and soul  
 you with a Keyholes and L.P. and Democrat In class voted, select no jobless man can't

your Negroes doing some of what you've done for me... I've done for you...
