

FULLER

August 2, 1963

Mayor Ivan Allen  
City Hall  
Atlanta, Georgia

Dear Mayor Allen:

The Atlanta Journal reported happily the other night that 357 Negroes had written to you approving your stand on civil rights legislation while only 67 whites had opposed. I wish to congratulate you on your magnificent victory here, representing as it does no doubt the high water mark of your mental, cultural and political career.

Yours very truly,

POPE H. FULLER ARCHITECT

Pope H. Fuller
