

Carmichael pair. if they
build stores without windows
we will go from Molotov
cocktails to dynamite

Look out for Stokes, Carmichael

this man is a menace, you
should find some way to put this
man in jail. He is getting away
with a lot of illegal stuff in the
north and West. Unless these
people are made to understand that
other people have rights also,
and are put in jail when they break
laws the same as other people, they
will continue to get more brazen
