

Sept 3, 1966.

Dear Joan:

The next time you get
in the top of a car down in

Nigger Town, we suggest you wear
a parachute. You really took the

like a Jet.

We looked to the Riot
on N.B.C. TV "Today" but we couldn't

see any of the following names that

Atlanta Constitution - Rector M. S. Hill, Hunt

Jemima Sibley, Roosevelt Patterson, Willie

Delphin, Starr Naptha Lockman, etc

Is Atlanta in trouble? You had
better believe it -

Atlanta Ga - 90 sq mi - 250,000 negroes.
Arkansas - 52,000 " " - 388,000 negroes.

You had better move several thousand
of those knee bones out on West Pass
Ferry, Hershorn + Turpel Rd. Furthermore
he wants to move 25,000 negroes
into Ruffin m. & Oils chas. Junior, you
cant put that so many negroes
in the old canal, then they start
kicking the fence down spread in
out junior.

You have a solution for your
race trouble in Atlanta. All you have
to do is to call Kevin Keplem,
the Boston mess Jewish President of
the N.A.A.C.P. and ask advice. Don't
call Roy Wilkins because Wilkins is
just a leg man ← Storge.

Good luck

J. S. Johnston
