Mr. Jesse Hill  
Atlanta Life Insurance Company  
148 Auburn Avenue, N. E.  
Atlanta, Georgia

Dear Jesse:

Following our meeting of last Wednesday, I asked the Personnel Board to give me a condensed summary of employment within the city government. I am enclosing a copy of that summary for your information. This report factually sustains that employment of Negro citizens in Atlanta has steadily increased in the last several years, and that a vast number of new positions have opened up for qualified applicants.

I am attaching a copy of my letter to the Personnel Board, the Library Board of Trustees, and the City Job Opportunity Committee. I believe these letters are self-explanatory.

Sincerely,

Ivan Allen, Jr.  
Mayor
