

Dear Mayor Allen,

Hooray for you! I'm so glad someone had the gumption to say what they really thought of Lester Maddox. At least one person in Georgia could stand up and say to the Nation - "No, we are not for this man." I am ashamed to be a

Georgian and proud to be  
an Atlantan.

Thank you for your  
courage to take a stand.

Sincerely,  
Sally Sinkler  
(Mrs Brock Sinkler)
