TO: Members of Board of Aldermen

FROM: Collier B. Gladin *CBG*

SUBJECT: Consolidation of Urban Renewal Policy Committee into
Planning and Development Committee

The attached Ordinance, concerning the consolidation of the two committees, has been subjected to some revision. Other than some minor editing the major changes are:

1. the phrase "and Capital Improvements Program" has been struck from the last line on Page 2 of the draft forwarded to you on January 29, 1969.
2. The sentence on Page 3, referring to federal grants, now reads: "The committee shall further review all applications for federal grants that are referred from the Grants Review Board for planning considerations to determine their conformity with adopted overall plans and policies for the development of the City."
