Mayor Swan Allen
Atlanta, Ga.

Dear Sir:

May I express my sincere sympathy for you and your officers in the present crisis?

The wind (civil disobedience) which M. L. King has sown is reaping the whirlwind all over the world. All he was interested in was money — Shame on him. That you might be interested in the su-

Playing politics is a
very serious business.
Oh! that we had some
real leadership in
Washington!!

I have loved ones in
Atlanta and my heart
is disturbed for the
whole city.

May God guide you.

Respectfully yours,
Mrs. A. S. Thomas
