The Honorable Ivan Allen, Jr.  
Mayor of Atlanta  
Atlanta, Georgia 30301

Dear Mayor Allen,

Enclosed please find copy of most recent letter to Senior Senator Richard B. Russell. It is a resume of the arguments sent to Mr. Johnston, Director of the Plant Quarantine Division, USDA, but which, thus far, have failed to convince him.

Perhaps a note from you to Senator Russell would motivate him to action for us?

Thanking you in advance, and also acknowledging receipt of copy of your letter of May 2nd to Mr. Johnston,

Your sincere,

*Mrs. Charles Busch*
