Dear Tom:

I want to thank you again for the fine show you put on for Sargent Shriver on his visit to Atlanta.

In the three or four visits by Mr. Shriver here that I have been involved in things have not always gone as smoothly as they did on this visit. I am sure that everyone else is in agreement with me that your handling of the various aspects of the visit was done very professionally and in a responsible manner.

I have had several comments from the press noting that it was a real relief to have a person with your attitude organizing a visit for a high-ranking Federal official. Too often advance men to more harm than good.

Enclosed is a key chain which you were interested in from the Mayor. Let us know if we can be of any help to you in the future.

Sincerely yours,

Dan Sweat
