FROM THE DESK OF BILLIE PFIFFNER, PRESIDENT

Sept. 8th, 1966

Dear Mayor Allen,

My husband and I want you to know that we are indeed proud of you and your courageous action on Tuesday. Your courage and dignity in a critical and dangerous situation point the way to all citizens of Atlanta. The shocking incident was distressing to all of us who work hard to improve the lot of all citizens of our city and state. Your leadership may mean that we will not have a repetition of similar incidents.

You have contributed greatly to the fine image of Atlanta and to our national prestige.

I know that you have many bitterly discouraged moments in your job but you have many admirers and supporters in this city.

Cordially,

*Billie Pfiffner*

Mrs. H. A. Pfiffner
