

Fire Dept.

The undersigned are residents of the Seminole Court Apartments. The building at 585 Seminole Ave., N. E., directly South of the apartments, is to be razed in the near future because of the Expressway. Several other buildings in this neighborhood have been razed by Hudgins and Company, and the combustible materials were burned at the site. However, the law limiting the size of the fire to 10 feet in diameter was not obeyed, the fires were often 40 to 50 feet in diameter, and the material was not completely burned but was doused with water and left smouldering for several days. Also, the burned-out debris was not taken away. This caused an unpleasant odor, and is harmful to the health.

Because of the danger of fire to the Seminole Court Apartments, whose upper floors are constructed of wood, and the failure of the contractors to observe the law, we are respectfully petitioning you to refuse a permit to the contractors to burn the combustible material when razing the building at 585 Seminole Ave., N. E.

<u>NAME</u>	<u>ADDRESS</u>
Mrs. Esther J. Kollar	591 Seminole Ave., N.E., Apt. D-2
Sylvia G. Harris	601 Seminole, ave. N.E. apt D.
