

if you want to fight  
and continue to do so I will  
send your name to the draft  
board and demand immediate  
induction - if you are physically  
able to fight at home you are  
able to fight in Viet Nam

This would stop the whites  
Mayer - - -

if you want to fight  
and continue to do so will  
and your name to the book  
and demand medals  
and if you are  
able to fight at home you are  
able to fight  
this would be the  
Mason

for the white

if you continue fighting there  
are 2 things you can do live  
peacefully in the united states  
go to work or be deported to  
afica or your name sent to  
the draft <sup>board</sup> fightes are wanted  
in the Army Not in atlanta  
take warning  
signed Mayor — —

if your country fighting there  
and though you can do less  
graciously in the united states  
to work or to support to  
of us or your own best to

the draft fight in our country  
in the west  
take morning
