MEMORANDUM

To: Members of Atlanta Urban Coalition

From: Dan Sweat

Attached is a copy of a preliminary program for the New York meeting next Friday on Mobilizing Urban Coalitions. Some of you might be interested in attending this meeting and this is for your information.

I would also like to call your attention to the January issue of FORTUNE Magazine. This is a special issue on business and the urban crisis.

It contains several in-depth articles relating to the problems of the cities and discusses briefly the Urban Coalition. It is the type publication that you would want to keep on your desk for reference and illustration when discussing urban problems and the business responsibility and involvement in particular.
