Mr. Ivan Allen
Mayor of Atlanta
City Hall
Atlanta, Georgia

Dear Mr. Mayor:

I've been meaning to write you for several weeks to express my pride and that of my family and associates in the job you are doing as mayor.

Your physical courage during the recent racial problems, and your political courage at the time of the election returns have strengthened more than ever our support of you and the job you are doing.

The months ahead conceivably could be difficult for those who see Georgia in terms of the future rather than the past. Nevertheless, please be assured that there are still many of us who feel as you do and welcome the chance to be of whatever services we may be to aid you in assuring an even brighter future for Atlanta.

With best personal regards.

Sincerely,

Rich Hodges
