The Honorable Ivan Allen  
Mayor of Atlanta, Georgia  
City Hall  
Atlanta, Georgia

Dear Mr. Allen,

May I offer our word of approval for your courage and the way you did your job last night. We watched TV news last night and want you to know that, even though we live in DeKalb County, we are proud of you as "our mayor".

Our part of the country has a crying need for statesmen, and we are glad to finally see one, in you. Only wise use of power by white and black statesmen can restore law and order.

The people of Greater Atlanta will always back up a good mayor.

Sincerely,

Mrs. Robert E. Kissling
