

Atlanta, GA
Oct 3rd, 1966

Dear Mr Mayor:
I want to thank you for the
plug you put in for Lester
Madrox last week on TV.

That was one of the
dirtiest speeches I have ever
heard.

I happen to be
one of the thousands of people
(ignorant should I say) who
voted for Mr Madrox. SO

we are ignorant? you are
dumb or you would have
realized your speech was

way out of line - your
speech was beneath the
dignity of the Mayor of

Atlanta. you should
have been out fishing

the day you made that
speech, for your own good

Do you realize you
wouldnt be Mayor of

of Atlanta today, except for
the fact white people were
not as alert at the time.
Believe me, we (white people)
realize the importance of
voting today. We were not
aware of the situation when
you went in as Mayor -
try again and you will
see the white people are
aware of the situation
you, Martin Luther and the
Atlanta Journal cannot
control every thing -
white people can still
vote - from one of the
thousands of ignorant
voters -
