Dear Mr. Hamer:

I have received and reviewed your letter of September 25, concerning matters which will be considered at the meeting of the Board of Fire Masters on Monday, September 29.

Because of a previous commitment of long standing, I will be unable to personally attend this meeting. I am, however, sending as my representative, George Berry, Deputy Chief Administrative Officer. I have also asked Mr. Nat Welch, Executive Director of the Community Relations Commission, to be in attendance at this meeting.

Sincerely yours,

Ivan Allen, Jr.
Mayor
