Dear Sonny and

Daughter-in-Law:

Old Abraham and his Sarah had to give up their old home.

They had shown, beginning ^{with} the circumcision of their son who was their joint progeny, to those who were not their immediate family, or rather were not blood relations, but were of their household family, that they, Abie and Sarah, no longer held to a genuine belief in the goodness of and gratitude for those in the household, but not in the blood family, to be comrades in the general purpose of retaining the "Household" in the splendor and goodness that was ^{its} lot at the time of said circumcision.

[Read Bible, see where Abie's older son, though being ^{Jew}, through his male parent, was thought of as not being all Jew, and, therefore, was thought to be not worthy of circumcision. Read how, in order probably to put some balm upon his own ego, this older son ^{did} guffaw (laugh loudly) at the solemn sanctimoniousness of the occasion. He was ordered out of the house, and he did leave.]

Then, through the years, did leave one by one all of the household's retainers (faster than new ones could be employed). Even the newest ones would come to feel that if it could happen to Ishmael, as it had happened to Ishmael, it could happen to them.

Not being able to operate the big plantation-type white elephant by themselves, Abie and Sarah had to abandon it, too. Decent Son had already gone off on his own.

Continued -

He had gone off to soldier for fortune among near blood-kin folk, who were thought of as "Decent Jews" by Abie and Sarah; though other near kin thought that those whom "Sonny Boy" was aiding, were truly the indecent folk.

Sonny Boy heard how Abie and Sarah had had to give up their positions of glory, and wrote them a complaining letter, in which he said, "I hear you have become so groveling, so like unto cur dogs, that you, yourselves, have become retainers in an ungodly Egyptian household, while I, your noble son, Is'e-ac-ac-ac-ing away with my machine gun for the forces of Decency."

"Pappy"

P.S. Read further in the Bible to see how Isaac's own forces of Decency were to be split into two factions before he himself was buried. (Only the machine gun is fictional.)

OUR AMERICAN DESTINY

It is our American destiny to bring about the unity of the Whiteman's World. The life-or-death threat of an aroused Asiatic world under the domination of Communism affords the challenge which will close the ranks of the Whiteman's World in an earth-shaking battle for survival.

We Whitemen of America can force world-history to take the pathway of our will—and thus carry forward our destiny—only by holding to those values which have elevated us to our present high place in history; chief among these values is the recognition that we must play our role not merely as so-called human beings but as Whitemen, deeply conscious of our American destiny.

The Whitemen of the coon-skin cap and long rifle, and the brave White warriors and womanfolk of the covered wagon days, who conquered and settled this great continent of ours, were but carrying forward a mighty destiny. Our American destiny is, in a very real sense, the entire Whiteman's destiny. It is our bound duty to carry it onward into the future.

In the days ahead, of heavy threats demanding heroic replies, our Whitefolk brothers and sisters of distant lands will look to us for leadership. The Whiteman of Australia, as he bravely stands at the most advanced western frontier of our White World, must know that we are with him. The Whiteman of South Africa, as he fights for survival in the very heart of the black world, must know that his destiny is a part of our destiny.

Our deep consciousness of being Whitemen and Whitewomen is as old and primitive as our hills. Forsake this precious bond and we will perish. With this thought in mind it is obvious that we cannot step from nation-consciousness to world-consciousness overnight. Whatever supra-historical consciousness we are able to create in the future, as a quickening influence in the lives of our American Whitefolk, must be based upon, if it is to survive, our common-denominator consciousness of being Whitemen and Whitewomen.

Geography and space must be pushed aside and the Whiteman must be viewed as a living and breathing biological and spiritual organism, composed as a great Whiteman's Community of individuals in agreement on the basic things, ever-expanding by procreation.

SAM ADAMS -- Patriot

This organization is named for Samuel Adams (1722-1803), American revolutionary patriot and statesman.

Various Committees of Public Safety functioned as executive bodies in the colonies before and during the Revolutionary War. The decision of the Committee of Public Safety, established by the second Provincial Congress of Massachusetts in February, 1775, to occupy Charlestown and Dorchester Heights, led to the Battle of Bunker Hill.

Sam Adams decisively influenced every important aspect of the pre-revolutionary struggle against Great Britain.

In the realm of practical politics, he promoted the formation of the Boston chapter of the Sons of Liberty.

He gained a reputation as a literary agitator and revolutionary ideologist.

The first pitched battle of the Revolution occurred when British troops, en route to Lexington to arrest Sam Adams, met the armed resistance of the local patriots.

The historian, John Hyde Preston, in his book entitled REVOLUTION 1776 has this to say of Sam Adams: "Samuel Adams has a much clearer claim than George Washington to the title of Father of His Country. Adams was the father, Washington the nurse. Adams conceived the infant, and Washington saved its life."

Preston goes on to say: "Samuel Adams was born with a rebel's soul; he had a genius for rebellion."

Idiot Card

Modern "Thinking"

THE INNER ENEMY TODAY

Why does a White man hate his own kind, and why does he wish to destroy his own kind by inter-marriage with non-Whites?

The answer lies in our educational system and in our political system, both of which are operated not only for the degradation of the White man, but for the degradation of all races to a sub-human, animalistic level.

Our present-day educational system produces people who are stripped of all race-pride and moral courage, and filled with self-hatred and disgust. A twelve year course of carefully planned and executed brainwashing in the public schools destroys inner pride and self-identity. The products of this process enter into public, adult life as racial zombies, able to fulfill a robot role in a factory or office, but unable to exercise or live up to their duties as White men and White women ... to bear the responsibilities of maintaining and furthering Western Civilization.

The most vicious of these robots enter into our political system. They welcome each new act of individual self-degradation as a gadge of honor.

These parliamentary politicians hate Western Civilization, because this means living up to and maintaining the standards above and beyond individual self-interest and greed.

When these 'democratic' politicians act to tear down the last vestiges of our great Western Civilization, which has been built at such cost by so many generations of White folk, a few of us are incensed and outraged.

But most people accept as a matter of course the dictates of these politicians; that our Civilization must be destroyed, and that we, as a sort of half-negroids, must sink to a lower form of existence, so represented by the squalid multi-racial nations of Haiti and Brazil. This is called the 'equalization of living standards'.

But there are a small minority of us who are still White men! We are not robots ... we have not been affected by the brainwashing in the public schools ... and we despise our traitor-politicians!

We, a historic few, say to this parliamentary scum ...

WE WILL FIGHT!

We are of the same stock as the legions of Caesar, the Vandals who sacked a degenerate Rome, and the sailors of Sir Francis Drake!

Well we know the role which history has prepared for us.

Although we have been born into a moral and spiritual squalor worse than that of any nation in world history, we arise from this filth to assert ourselves as White men!

Our enemies now are not Indians, disease, or wild beasts ... they are the mass of non-Whites, and by non-Whites we mean all those who think and act as negroids even if they have a white skin.

Nothing can save our Western Civilization except the harshest measures against these non-Whites, by means of propaganda and physical terror.

There can be no mercy for those who have abandoned their own racial identity and traditions through self-corruption and individual greed.

WHITEMAN AWAKE!

THE HOUR IS LATE!

THE WHITE MAN'S REVOLUTION

Little Rock, Arkansas ... Concord

Oxford, Mississippi ... Bunker Hill

Again, the American White man has asserted himself against a foreign dictatorship whose occupation center is Washington, D. C. This foreign control of our United States of America began in 1933 with the anti-White regime of Franklin D. Roosevelt. Using World War II to consolidate its power, this anti-White group disguised by the term 'liberal' has now over-reached itself, by the passage of the so-called 'Civil Rights Bill'. This anti-White organization exhibits two faces to the outside world ... the Democratic and Republican Parties. Commissar Eisenhower of the Republican Party used guns and bayonets against the White folk of Little Rock, and Commissar Kennedy of the Democratic Party used guns and bayonets against the White folk of Oxford. By doing this, the mask of 'liberalism' lies the naked power of Jewish Communism ... determined to destroy the Western Civilization of the White man.

This use of naked power against the White folk of America is an open admission of defeat by the Soviet-style Supreme Court, and the Federal Judiciary, both controlled by anti-White Jews. This exercise of naked power means that the Federal Government no longer represents the White folk of the United States of America. Now, at last, the Federal Government openly admits that it is a foreign occupation dictatorship using armed force to maintain its edicts and directives upon the captive White citizens.

**Communism
and
Race - Mixing
are JEWISH**

THE WHITE MAN'S REVOLUTION IS NOW HERE!

As Samuel Adams did in 1775, this is more than a prelude!

Across America from New York City to Los Angeles, from Minneapolis to New Orleans, Committees of Public Safety are functioning to alert all White citizens. There is no longer need for patience, nor for small, safe talk. The danger is immediate!

The menace within is Jewish Communism with its absolute control of the Federal Judiciary, Justice Department, and the Armed Forces. The menace without is Russian and Chinese Communism with tentacles of subversion in the State Department, the national mediums of the radio, press and TV ... with penetration in depth in many educational systems from the elementary grades to the State Universities.

The 'liberals' of today are the loyalists (traitors) of 1776!

A great danger to us is the use of the Panem Et Circenses (bread and circuses) technique of the 'liberal' propaganda machinery.

Using direct force against us, combined with planned distractions imposed on our White folk, these tyrants hope to blunt the hatred against themselves. The press, radio, and TV unendingly shift emphasis from our internal problems to baseball games, Cuba, East Berlin, Viet Nam, etc.

Our task, as activists of the Committees of Public Safety, is to apply constant and ever-increasing personal pressures against these 'liberals', traitors, and Jews.

Our views must be direct, positive, and leave no doubt of our basic positions.

The stakes are our very lives ... the survival of our White folk!

THOSE WHO ARE NOT WITH US ARE AGAINST US!

DEMOCRATIC NATIONALIST PARTY

**BUILD
A WHITE
AMERICA**

RACE NATIONALISM

The biopolitical foundation of the DEMOCRATIC NATIONALIST PARTY is RACE NATIONALISM.

RACE NATIONALISM is the only alternative for Western Civilization to both the slow death through degeneration by Jewish 'democracy', and the quick death at the hands of Asiatic Communism.

The old 'nationalism' was racially indiscriminate, and racially destructive. Economic injustice resulted in class warfare and the spread of Communism. The Jewish Consensus became powerful on both Finance Capitalism and the Communism it bred, for their only concern was the power which either system provided for them. RACE NATIONALISM stands for the corporate social and economic welfare of the Nation. It places the Nation above the class, special-interest group, and the individual in the spirit of 'all for the Nation, and the Nation for all'. It believes in private ownership within a framework of national regulation ... this is social and economic nationalism.

Its racialism is complementary to its social and economic nationalism, by giving unity a foundation of kinship, binding man to man with a blood connection, seeking the preservation and improvement of the racial heritage. It seeks the service of the part in the greater service of the whole.

RACE NATIONALISM has no conflict between the interests of the Nation and the Race. Instead, the interests of the one are to be sought in the interests of the other.

We can look back to a racial unity pre-dating the division and coagulation into nation-states in order to acquire the vision to look forward to a community of brother-states in the future.

THE SAM ADAMS COMMITTEE OF PUBLIC SAFETY

Patriotic Political Action
of the
DEMOCRATIC NATIONALIST PARTY

This year must be the year of political counter-attack against the insidious forces of diversion and subversion within our midst.

THE SAM ADAMS COMMITTEE OF PUBLIC SAFETY has been founded to reassert the political functioning of the White folk majority within our United States of America.

Since the turn of the century, our American political scene has been dominated by various factions and self-interested minority pressure groups whose goals have generally not included the promotion of the general welfare and the survival of the Nation.

This has produced an intolerable political situation within, and an impossible foreign posture without, our United States of America.

The fragmentation of our American political life by Trotsky-type politicians of both the Democratic and Republican Parties is directly responsible for the continuing victory of International Communism.

There is only ONE SOLUTION ... rebuild the political organization of the ineffective White folk majority, and concentrate its united will upon the political questions of the day.

THE SAM ADAMS COMMITTEE OF PUBLIC SAFETY will attack the local Trotsky-type politicians of both the Democratic and Republican Parties.

It will conduct a campaign of propaganda and physical terror against the guilty individuals and their associates.

It will drive these traitors from public office, and reduce them to a position where suicide will be the only salvation for their crimes against their own society, their own people, and their own Civilization.

It will organize public meetings, publish hard-hitting exposes of the minority diverters and subverters in our midst, issue directives to its members and affiliates with reference to specific issues and problems, and will directly sponsor individual candidates for any and all public offices.

THE SAM ADAMS COMMITTEE OF PUBLIC SAFETY will pre-select the candidates for public offices so that the individual voter-member of the White folk majority will be able to make a positive decision at the polls.

It will aim at the complete control of the status-making machinery within our local society.

The Executive Committee will assign a speaker to appear before your group for detailed exposition of our plans and methods, at no obligation, and in complete confidence.

Dear Mr. Allen:-

I'm not a resident of Atlanta, but since the State might be called on at some future time for help in regards to conditions that might exist in Atlanta, I feel that private citizens should not be used instead of authorized policeman.

To me this looks like taking away the legal law from our citizen and giving it to a clerk that does not believe in the American way of living.

I do not have all the facts but if what I do have is correct I would advise the Governor of the State of Ga not to help these places with Nat. Guard in case of trouble unless local policeman are authorized to do their best first.

The reasons for the trouble in all the cities speak for themselves and I think every American knows what should be done.

Dear Mr. Mayor:

It's very hard to believe that there are no Negroes working for you other than in a menial capacity at Ivan Allen Co. Therefore upgrading Negroes is a fine gesture as long as it remains out of your company. Mr. Maddox just doesn't know it but you are definitely in his corner.

Your stating you are only a director, should lighten your charge since your father is the founder and your son is a director, the exact three votes you need to keep the Negroes in lower paying jobs, after all, the other directors have only one way to cast their votes.

Yours truly,

My present wife, whom I nominate as step-mother of all time ~~believe the~~ and ~~following~~. I, believe the following.

We of mortals, have that fact in common with all the other mortals who are our fellow travelers on this globe.

We can organize our communes or our states to include only the decent as we see decency within their frame work. We who are decent according to our lights can organize our communes and our states to include all who are within range of our spoken or written word. In either case the above fact ~~is~~ is still true along with another we should always remember. This second fact is that any snake has as much right to kill man, in the ways that he can as man has the right to kill snake in any way that he can.

This is the Doctrine of Moses, not of Karl Marx nor of Otto / Karl von Bismark. We do have to guard against being over-zealous in the creation and

Three

maintainance of the beautiful order of our states and communes. But we can not be heavily anti-Nazi and ~~not~~ without our each becoming a fearer or hater of the man with the Badge and the Gun, if ~~he~~ he should look our way without his hat in his hand.

Without remembering these two facts the best description for life on earth would be "Hell to and for all."

But the above is not all I have to say. I could have pity ^{for but would be} ~~but not~~ ~~slow to know~~ sympathy for a dead policeman who had fatally wounded another being whom he had thought to be a varment in Human form, only to be killed by ~~the alledged varment~~ ~~before he died~~ with his own gun by the alledged varment before he died, and this would be especially true if ~~the~~ the policeman had refused to use ~~the word~~ either the word Buddy or Comrade or

their equivalent in meaning and spirit
in his compl. in a complaint ~~to~~ he
made to ~~his~~ his adversary.

"Just because you are going to
"Tell" now, why do you have to
take me ~~to~~ there too."

This would also be ~~the~~ true
though I wondered to whose preaching
of Christianity or Moses he had been
listening ~~to~~ to, if his last complaint
~~should~~ ~~should~~ ~~should~~ ~~be~~ ^{have been;} ~~God~~ ~~I~~ ~~have~~
~~killed~~ ~~been~~ God I killed the Varnment
for you, are you dead, why are
you ~~let~~ letting me die? I would know

Dear Mr Mayor
You have no one to
blame but yourself for running the
wealthy people to the suburbs. You could
have built homes for the Negroes, but
no, you destroyed what homes they could
have had. Now you want to annex
All of Fulton County. This is a sleek
scheme, but it won't work. You will
never be able to accomplish such a
scheme

Dear Mr. Bray:

There are a lot of people in the real estate business. They want to make sales, but they don't give service.

My reason for dropping you this note is to tell you how much I appreciate the hard work over a long period that you did to bring about many complicated situations that eventually consummated a very satisfactory trade on a large tract of land that I owned in Cobb County.

I am writing you this with the idea it is better to send flowers while you are living.

Thank God For You

Thank God for you, good friend of mine,
Seldom is friendship such as thine;
How very much I wish to be
As helpful as you've been to me—
THANK GOD FOR YOU.

Of many prayer guests, one thou are
On whom I ask God to impart
Rich blessings from His storehouse rare,
And grant to you His gracious care—
THANK GOD FOR YOU.

When I recall, from time to time,
How you inspired this heart of mine:
I find myself inclined to pray,
God bless my friend this very day—
THANK GOD FOR YOU.

So often, at the throne of Grace,
There comes a picture of your face;
And then, instinctively, I pray
That God may guide you all the way—
THANK GOD FOR YOU.

Some day, I hope, with you to stand
Before the throne, at God's right hand,
And say to you — at journey's end:
"Praise God, you've been to me a friend—
THANK GOD FOR YOU.

Dear Sam:
Are you some type of
nut? Whites can't stomach these
negroes in N.Y.C., Chicago, Atlanta
or Washington. You read too many
articles written by Raelus M. Hill
and Roosevelt Patterson of the
great Atlanta Constitution.
You do a lot of talking
but we never see where you
invite negroes into your area -
put low housing next to you.

We wish you Georgians would
eliminate these Georgia Speed Traps,
so these Yankees, who are running
from negro in N. Y. C., Chicago,
Detroit, Newark, can get through
to Florida. 7,000⁺ new Yankee
whites arrive from Yankee land
every week.

Have a few questions —
Is Memphis High 100% negro?
What of Kirkwood Elementary?
What about West Manor?
How is Cascade Heights?
Are negroes in Piedmont Park?

How do you know why
white run from niggers in
all areas? North, South, East &
West. Look up N E G R O P H O B I A in

Big Whites. The only cure for this
Negrophobia is to may flower moving

Dear Mayor Allen,

These riots in Atlanta and other places can be blamed on our top politicians who have made negroes think they are going to mix socially with whites, and that we will all become one common race.

This the negroes are going to have, or else. The riots, arson, and lootings are the "or else."

The only way to put an end to the activities of these tribes people is for Johnson to come out on television and tell these blacks that white people simply will not, and cannot accept them socially. After that sinks in, the Africans can come out of their dream world and go back to living with their own kind. Both races will be better off.

And incidentally, throwing money at negroes is not going to by-pass a hundred thousand years of evolution.

Yours very truly,
Elsa Lewis.

What the Hell Can We Get Out of This War?

THE ANSWER: The best bill of goods any nation has ever had; the only bill of goods by which any nation can survive; the only bill of goods by which this nation has ever lived—Decency!

And what is decency?—the right to live and die without fear; the right to live among friends and family; the right to die in peace amidst quiet tears, hoping to find a place beside God.

This is worth fighting for; this is worth killing for; so that good people may keep their world a decent place in which to live and die.

The world belongs to the good people. Every highway and every sea lane must be open to the good men and women of every land so they may pursue happiness, with its bread and laughter, finding God in their own way, be it in a garden among flowers or in a temple among strangers. In the dank darkness settling over most of the world it is getting on toward midnight. Past that zero deadline looms a dawn splashed with blood, streaked with hate.

That dawn must never come. That dawn must and can be stopped by the United States.

Hitler has spit in the face of every decent man and woman in the world. He has spit in the face of every child, in the faces of the men and women who follow God, be they Jew, Protestant or Catholic.

Hitler must be killed and all the others who would be Hitlers must go with him to his grave.

The United States must declare war against Germany and with this declaration add a simple clause condemning to death Hitler and his agents. The international gangland must go.

name I have forgotten. In handing down a decision he declared that free speech, even under a Democracy, did not permit a man to yell fire in a crowded theater. I don't understand why we are permitting men and women, high in the walks of American life, to scream fire in a crowded theater—the fire of isolation, the fire of appeasement, the fire of defeatism.

There are many things I don't understand but I think that's unimportant.

When I was a child I didn't always understand my parents but they were invariably right. I have read the Bible and I don't understand all of it. I don't always understand my country but I am willing to follow it passionately and loyally to my grave.

I have a feeling the world will be decent again and the United States will help its gallant brothers England and China to make it so. If it takes the rest of our days, let's at least bequeath our children a decent world. That's a mighty fine legacy to leave behind. It's the legacy we inherited.

It's close on to midnight . . . another dawn is about to break through.

Mr. President and Congress, we are awaiting your marching orders. Surely there is a job for every man and woman in the United States to do at this zero hour.
