Hon. Milton G. Farris  
Chairman  
City Job Opportunities Committee  
P. O. Box 7245, Station C  
Atlanta, Georgia

Dear Milton:

I am attaching a copy of the requests made by the Atlanta Summit Leadership Conference.

They were not familiar with the fact that you have been appointed as Chairman of the City Job Opportunities Committee.

I would recommend that you call a meeting of this committee at an early date to receive the latest report of the Personnel Department, and look into any other matters that might be brought before the committee at that time.

Sincerely,

Ivan Allen, Jr.
