MEMORANDUM

To: Jay Fountain
From: George Berry
Subject: Educational Stipends for Urban Corps

Previously, I forwarded to you two requests for payment for \$250 each to two Urban Corps interns. It is my understanding that you have paid one and are holding the other.

Attached are two miscellaneous requisitions to pay two additional stipends to the individuals named. You will note that the source of funds is the Stern Family Foundation in the Mayor's Office. In addition to paying these two stipends, it is requested that you process the one payment you are holding as well. The source of funds for this request is also TA-25-62-310.

Please advise me if there are any questions on this matter.
