Dear Sir:

Stupid statements come from the mouths of stupid people.

After the recent victory of Mr. Lester Maddox over Mr. Ellis Arnall your mayor of the wonderful city of Atlanta displayed and released some of his stupidity in his statement about the thousands of IGNORANT people in Georgia.

His statement seemed to come directly from the mouths of Martin Luther King, Stokely Carmichael and Ellis Arnall.

Your mayor may be in a political campaign in the future and thousands of those IGNORANT people will have the opportunity to vote for or against him.

Respectfully yours,

A. F. TRAPNELL
