DEPUTY COMPTROLLER

Mr. Jack C. Delius  
General Manager  
Parks and Recreation  
City of Atlanta

Dear Jack:

I am enclosing a copy of Local Public Agency Letter No. 420 which relates to a noncash grant-in-aid credit of twenty-five percent of the cost of a facility that is to be used for cultural, exhibition or civic purposes. This I believe will well fit the definition of a Cyclorama. It might be possible that if other federal aid is not available for relocation of the Cyclorama perhaps we could relocate it adjacent to Grant Park in an urban renewal project which is yet undetermined.

I furnish you this information for your use in the construction or the relocation of the Cyclorama.

Sincerely,

Charles L. Davis  
Comptroller
