Re: A Building to House the Atlanta Cyclorama

Dear Jack:

Enclosed, herewith, are three copies of our proposal for the Program on the Cyclorama Building. We are using this peculiar, double headed letterhead so there will be no question about the fact that it was prepared by both offices and approved by both offices. We are now in the process of printing some special stationery just for this job; however, we were anxious to get this proposal in your hands as soon as possible.

Yours very truly,

THE CYCLORAMA ARCHITECTS
