The Honorable Ivan Allen, Jr.
City Hall
Atlanta, Georgia

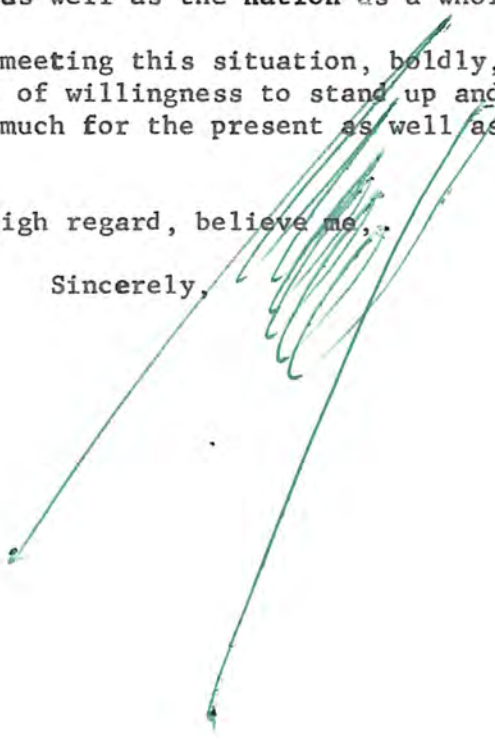

Dear Ivan:

Your forthright statement to the Committee and your leadership as a pioneer in this field does credit to you personally as well as to the City of Atlanta and the State of Georgia and the entire South, as well as the nation as a whole.

I congratulate you in meeting this situation, boldly, as you have. It is this kind of willingness to stand up and be counted that means so much for the present as well as for the future.

With assurance of my high regard, believe me,

Sincerely,

AM:tg
