Hon. Charles Leftwich, Chairman
Parks Committee

Mr. Jack C. Delius, General Manager
Parks Department

Gentlemen:

I enclose herewith a copy of a Senate Resolution No. 79 which concerns the Cyclorama.

I have undertaken to ascertain and have ascertained that, in my opinion, the removal of the Cyclorama as contemplated in the Resolution would not work a forfeiture under the original deed of gift; however, there are of course collateral questions which I think are equally as important as this. This is especially true in light of the fact that we are currently undertaking to move the Cyclorama to another building.

After you two have conferred with the Parks Committee, kindly let me know what your thinking is in respect to the enclosed in order that I might take such action as is necessary.

With my kindest regards to you both, I am

Yours very truly,
