

MRS. GRACE BOYD

4638 LOS FELIZ BLVD., LOS ANGELES, CALIF. 90027

Sept. 9, 1966

Dear Mayor, Allen,
Thank you!

Bless you!

These are simple but
deeply felt appreciation
for your courageous
stand on the very re-
cent trouble in Atlan-
ta.

You are being a

pioneer in coming
face to face with the
problem that our coun-
try must solve. If
others took your stand,
there would be a dis-
tinct reversal.

I'm a Southerner by
birth. I know the South
has not been cruel. I
hope you know many
are agree with you.

Sincerely, Grace Boyd
