Dear Mayor Allen-

Just a note to express my deep admiration and gratitude to you. That night, as we watched and listened and prayed, Atlanta seemed to grow. We have shown the nation a new stature. And you have been the source.

It is foolish to say to a conscientious man, "Be more careful!" There are hours when a man, a leader, knows what he must do. He does it, and wins the hearts of men everywhere. May God bless you and defend you. Your friend - Sincerely yours,  
Archbishop Hallinan
