

September 30, 1966
Atlanta, Georgia

Dear Mayor Allen,

I wish to congratulate you on your statement concerning Lester Maddox's nomination . Wednesday's run-off was not only a mistake but a tragedy for Georgia. If more of our Democratic leaders had spoken in behalf of a candidate of wisdom, justice, and moderation, perhaps this tragedy would have been averted.

May I commend you on the fine leadership you gave Atlanta during the racial turmoil!

Yours truly,

Frances F. Pearson

Mrs. Joseph T. Pearson
