Your Honor Mayor Allen!
Dear Sir:

I never write fan letters,
but I must write this one. I
thank God, we still have men
like you, the negro has hid be-
hind (peaceful marches) long
enough, I be ^{leave} you to be fair to
all, but some of our leaders are
afraid to speak out for the white
man, afraid they may lose the
negro vote.

God Bless & Keep You.
