

Atlanta, Ga., Oct 3, 67

Dear Mr Mayor
You have no one to
blame but yourself for running the
wealthy people to the suburbs. You could
have built homes for the Negroes, but
no, you destroyed what homes they could
have had. Now you want to annex
All of Fulton County. This is a sleek
scheme, but it won't work. You will
never be able to accomplish such a
scheme

Yours Very truly
