Dear Mayor Allen

I'm very ashamed of your  
stand on public accommodations.

Just because you feel  
this way it does not give you  
the right to say all Atlantans

For every person you  
bind in favor of your self  
I can find two against you.

It seems to me that for  
you and Mr Kennedy to like  
anyone they have to be dark  
& kinned, I wish you'd get

20 gallons of man Iau  
and soak you Thead
