Mr. Jack Delius  
Director of Parks & Recreation  
City of Atlanta  
City Hall  
Atlanta, Georgia 30303

Dear Mr. Delius:

I have enclosed two copies of the "Fulton County Park Plan" which was recently presented to the Atlanta-Fulton County Joint Planning Board and the Fulton County Board of Commissioners and approved by both bodies. This should be considered a preliminary report and may be subject to some revision within the next few months. However, I wanted you to have a copy of it for your own information and reference.

We certainly appreciate the fine work that Stanley Ayer has been doing in conjunction with the preparation of the development plan for the Hammond Drive Park. I certainly hope we can continue these cooperative arrangements.

Very truly yours,

*Jack Devaney*
